

EUROPE'S LEADING SYSTEM PARTNER
FOR QUALITY TOOLS
NOW IN INDIA!

HOFFMANN GROUP- YOUR SYSTEM PARTNER FOR QUALITY TOOLS.

The Hoffmann Group is number one in Europe and a global player with over 2,900 employees and a turnover of more than 1 billion euros. Along with its partners, it serves companies of every size around the world in over 50 countries. A close network of subsidiaries and partnerships and a strong export team ensure global success.

As a system partner for quality tools, we offer you a service portfolio based on our unique combination of **trading, manufacturing, and service competence.**

- **Trading competence:** The largest choice and the best logistics performance for the highest reliability in supplying tools.
- **Manufacturing competence:** GARANT premium quality for maximum innovation and quality assurance.
- **Service competence:** First-class service for sustained increases in productivity.

Hoffmann Group - Tools to make you better.

IF YOU CAN'T FIND A QUALITY TOOL HERE, YOU WON'T FIND IT ANYWHERE ELSE.

We offer the largest range, right up-to-date, and the best cost/ benefit ratio: Out of our **500,000 listed tools**, we have **70,000** in the catalogue, so that the perfect tool is available for you immediately.

Hoffmann Group - Tools to make you better.

- Premium brand GARANT
- Quality brand HOLEX
- 500 world leading manufacturers brands
- 500,000 listed items
- 1 year price guarantee
- Highly competent and globally active product management

THE ADVANTAGES TO YOU

- Comprehensive range - reliable supply.
- Highest levels of innovation.
- Very wide selection of the best tooling solutions.

99% DELIVERY RELIABILITY. 99.9 % DELIVERY ACCURACY. NOBODY'S PERFECT.

A delivery capability of **more than 99%**, an error rate of **less than 0.1%** and **more than 95%** of customers who class us as a preferred supplier. Such results are achieved only by always giving 100%. And it's our pleasure to do that for you.

Hoffmann Group - Tools to make you better.

Europe's largest tool logistics center located in Germany

- 40,000 m² warehouse area.
- More than 60,000 items/day.
- Zero-error strategy.
- TÜV-certified delivery quality of > 99%.

THE ADVANTAGES FOR YOU

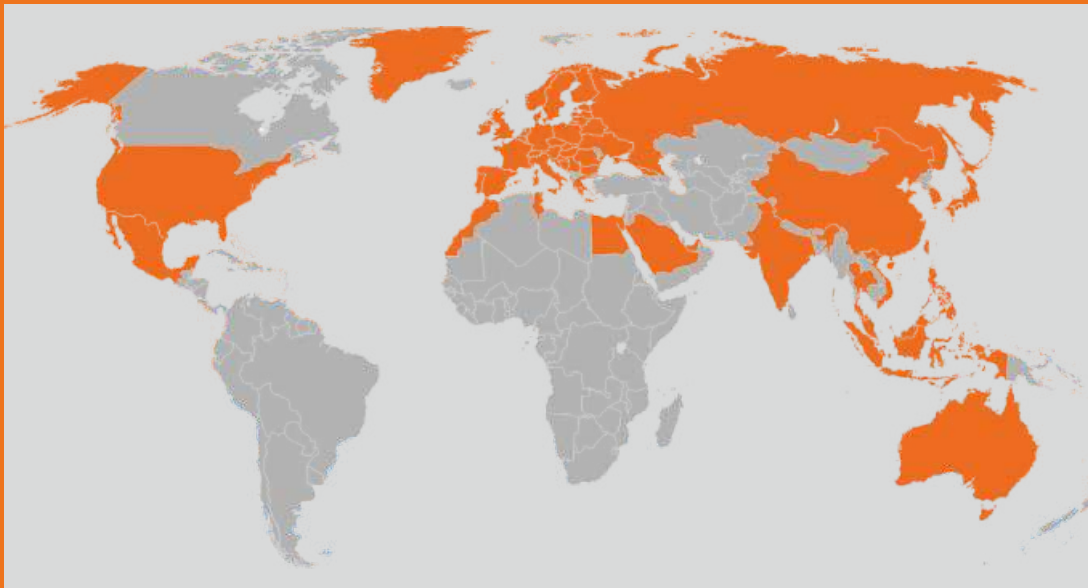

- The most reliable supply of quality tools.
- The highest level of delivery accuracy for increased productivity.
- Minimum capital commitment thanks to the highest delivery capability.

SOME OF OUR CUSTOMERS WOULD LIKE TO RECRUIT OUR ADVISERS THEMSELVES. THANK YOU FOR THE COMPLIMENT.

We are well aware of the reason why our more than **1,250 technical advisers** are so sought after. You won't find more highly skilled professionals anywhere in the world.

But you don't need to recruit them yourself. Because they already offer your company a full service to make it even more successful. That's a promise.

Hoffmann Group – Tools to make you better.

On site over 50 countries

THE ADVANTAGES FOR YOU

- Highly qualified specialist knowledge available to you in all areas.
- First-rate advice on site.
- A network of technical advisers that is active around the world.
